Unless Mrs Sansby's case has already been concluded, this interim order must be reviewed within 14 days to allow her representative to be notified of the hearing, receive relevant documentation and make provision to represent her during a review hearing.

At any review, the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mrs Sansby. The NMC will keep Mrs Sansby informed of developments in relation to that issue.

This will be confirmed to Mrs Sansby in writing.

That concludes this determination.
