Agreed Removal Decision

Registrant: Paula Michele Jenkins

PIN: 88K0415E

Part(s) of the register: Registered Midwife

Relevant Location: Norfolk

On 28 April 2023 we received a referral raising a concern about Paula Michele Jenkins' fitness to practise.

The referral gave rise to a concern that Paula Michele Jenkins has a health condition capable of impairing her fitness to practise.

We investigated the issue and the matter was referred to our case examiners. No allegation against Paula Michele Jenkins has yet been found substantively proved by one of our statutory committees. On 16 February 2024 we received an application from Paula Michele Jenkins for agreed removal from the NMC Register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC Register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Paula Michele Jenkins's application for agreed removal, I've taken into account:

- comments received from the person that made the allegation against Paula Michele Jenkins
- evidence about the concerns
- Paula Michele Jenkins' reasons for applying for agreed removal
- the interests of Paula Michele Jenkins
- the public interest

I'm satisfied that:

- Paula Michele Jenkins no longer intends to work as a registered nurse or midwife
- the allegations against Paula Michele Jenkins are not so serious as to be fundamentally incompatible with continued registration,
- there are no other good reasons requiring us to consider the allegations further at this time,

- the public interest is best served by the immediate removal of Paula Michele Jenkins's name from the NMC Register.

This record of decision will be published for twelve months from the date of the decision, 19 April 2024. In the event that Paula Michele Jenkins seeks readmission to the Register, we may consider the matters that led to this agreed removal further.
