Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your nursing practice to the British Army or any hospital to which the British Army deploy you.
2. You must not be the sole nurse on duty on any shift.
3. You must meet with your line manager, supervisor or senior military nurse monthly to discuss:
 - a) Maintaining professional boundaries
 - b) [PRIVATE].
4. You must send your NMC Case Officer a report from your senior military nurse before any review hearing. This report must comment upon your conduct and performance, with particular regard to:
 - a) Maintaining professional boundaries
 - b) [PRIVATE].
5. You must keep the NMC informed about anywhere you are working by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.
 - b) Informing your case officer when you are deployed to a clinical area and every time you are redeployed

- c) Giving your case officer your employer's contact details.
6. You must keep the NMC informed about anywhere you are studying by:
- a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
7. You must immediately give a copy of these conditions to:
- a) Your Commanding Officer in the British Army.
 - b) Any clinical area to which you are deployed by the British Army (before you commence the deployment).
 - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
8. You must tell your case officer, within seven days of your becoming aware of:
- a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.
9. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
- a) The British Army or any health care setting to which you are deployed as a registered nurse.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee still has to deal with the allegations made against you. The NMC will keep you informed of developments in relation to that issue.

This will be confirmed to you in writing.

That concludes this determination.
