Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

‘For the purposes of these conditions, ‘employment’ and ‘work’ mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, ‘course of study’ and ‘course’ mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must restrict your nursing practice to one substantive employer and if your employer is an agency you must work in a clinical placement of minimum three months duration.
2. You must not be the nurse in charge and must not be the only nurse on duty.
3. You must meet with your line manager, mentor or supervisor on a monthly basis to discuss your performance in relation to:
 - a) Clinical caseload.
 - b) Prioritisation of workload i.e., responding to emergency buzzers and escalation of care.
 - c) Medication administration.
 - d) Record keeping and documentation.
 - e) Communication and handover with professional colleagues.
4. You must provide a report from your line manager, mentor or supervisor to the NMC prior to any review hearing that discusses your performance in relation to:
 - a) Clinical caseload.
 - b) Prioritisation of workload i.e., responding to emergency buzzers and escalation of care.

- c) Medication administration.
 - d) Record keeping and documentation.
 - e) Communication and handover with professional colleagues.
5. You must keep the NMC informed about anywhere you are studying by:
- a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
6. You must immediately give a copy of these conditions to:
- a) Any organisation or person you work for.
 - b) Any employers you apply to for work (at the time of application).
 - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
7. You must tell your case officer, within seven days of your becoming aware of:
- a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.
8. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
- a) Any current or future employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.'

Unless Mrs Dinu's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mrs Dinu or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mrs Dinu. The NMC will keep Mrs Dinu informed of developments in relation to that issue.

This will be confirmed to Mrs Dinu in writing.

That concludes this determination.
