Decision and reasons on interim order

The panel decided to confirm the current interim suspension order.

Unless Mr Morrell's case has already been concluded or there has been a material change of circumstances, a panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the NMC to confirm the interim suspension order at this meeting and Mr Morrell will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Mr Morrell will be invited to attend in person, send a representative on Mr Morrell's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mr Morrell. The NMC will write to Mr Morrell when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Mr Morrell in writing.

That concludes this determination.
