Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

The panel was of the view that the public would remain suitably protected by the implementation of the following conditions:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your nursing practice to a single substantive employer.
2. You must not be the sole nurse on any shift.
3. You must not be the nurse in charge on any shift.
4. You must work with your line manager, mentor or supervisor to create a personal development plan (PDP).

You must:

- a) Send your case officer a copy of your PDP before any review hearing.
- b) Meet with your line manager, mentor or supervisor at least once a month to discuss your progress towards achieving the aims set out in your PDP.
- c) Send your case officer a report from your line manager, mentor or supervisor before any review hearing. This report must show your progress towards achieving the aims set out in your PDP.

- a) Any current or future employer.
- b) Any educational establishment.
- c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

The panel decided to vary and confirm this interim conditions of practice order and it will run for the remainder of the current interim order.

Unless Mrs Maxwell-Brierley's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mrs Maxwell-Brierley or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review, the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

In certain circumstances, it may be possible for the interim conditions of practice order to be reviewed by a reviewing panel at an administrative meeting. Mrs Maxwell-Brierley's case officer will write to her about this in due course.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mrs Maxwell-Brierley. The NMC will keep Mrs Maxwell-Brierley informed of developments in relation to that issue.

This will be confirmed to Mrs Maxwell-Brierley in writing.

That concludes this determination.
