Interim order directed:	Interim conditions of practice order (18 months)

Decision and reasons on interim order

The panel decided to make an interim conditions of practice order for a period of 18 months.

The panel has determined that the following conditions are proportionate and appropriate:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your nursing practice to your current employer, Capita.
2. You must only interact with patients or clients remotely.
3. You must immediately give a copy of these conditions to:
 - a) Capita
 - b) Any employers you apply to for work (at the time of application).
4. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any incident you are involved in relating to violent conduct.
 - b) Any investigation started against you relating to violent conduct.
 - c) Any disciplinary proceedings taken against you relating to violent conduct.
5. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
 - a) Capita

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
