

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Jacqueline Gale Carter

PIN: 07G0114W

Part(s) of the register: Registered Nurse - Mental Health Nursing

Relevant Location: Gwent

On 28 September 2020 we received a referral raising a concern about Jacqueline Gale Carter's fitness to practise.

The referral gave rise to a concern that Jacqueline Gale Carter has a health condition capable of impairing her fitness to practise. Jacqueline Gale Carter agrees that her fitness to practise is impaired.

We investigated the issue, and the matter was referred to the Fitness to Practise Committee. No allegation against Jacqueline Gale Carter has yet been found substantively proved by one of our statutory committees.

On 16 April 2024 we received an application from Jacqueline Gale Carter for agreed removal from the NMC Register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC Register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Jacqueline Gale Carter's application for agreed removal, I've taken into account:

- the concerns raised about Jacqueline Gale Carter's fitness to practise
- the interests of Jacqueline Gale Carter
- the public interest

We sought to contact the person that made the allegation against Jacqueline Gale Carter for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Jacqueline Gale Carter no longer intends to work as a registered nurse,
- the allegations against Jacqueline Gale Carter are not so serious as to be fundamentally incompatible with continued registration,

- there are no other good reasons requiring us to consider the allegations further at this time,
- the public interest is best served by approving Jacqueline Gale Carter's application to remove their name from the NMC Register.

This record of decision will be published for twelve months from the date of the decision, 19 June 2024. In the event that Jacqueline Gale Carter seeks readmission to the Register, we may consider the matters that led to this agreed removal further.
