Decision and reasons on interim order

The panel decided to make an interim conditions of practice order for a period of 18 months.

The panel has determined that the following conditions are proportionate and appropriate:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must work for one substantive employer which must not be an agency.
2. You must not be involved in any interventions managing violent and aggressive patients until you have successfully completed training and are signed off as competent to do so independently. Evidence of successful assessment must be sent to your NMC case officer within seven days of completion.
3. You must ensure that you are supervised by another registered nurse whenever you are working. Your supervision must consist of working at all times on the same shift as, but not always directly observed by a registered nurse.
4. You must have monthly meetings with your line manager, supervisor or mentor to discuss management of violence and aggression in a clinical setting.
5. You must send a report from your line manager, supervisor or mentor to your NMC case officer prior to any NMC hearing in relation to your management of violence and aggression in a clinical setting.

6. You must keep the NMC informed about anywhere you are working by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.
 - b) Giving your case officer your employer's contact details.

7. You must immediately give a copy of these conditions to:
 - a) Any organisation or person you work for.
 - b) Any employers you apply to for work (at the time of application).

8. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any clinical incident you are involved in relation to the management of violence and aggression.
 - b) Any investigation started against you in relation to the management of violence and aggression.
 - c) Any disciplinary proceedings taken against you in relation to the management of violence and aggression.

9. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
 - a) Any current or future employer.
 - b) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegation made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
