

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Lesley Jayne Gilmour

PIN: 90J0241N

Part(s) of the register: Registered Nurse – Adult Nursing

Relevant Location: County Derry

On 2 March 2021 we received a referral raising a concern about Lesley Gilmour's fitness to practise. The referral gave rise to a concern that Lesley Gilmour has a health condition capable of impairing her fitness to practise.

We investigated the issue and the matter was referred to our Fitness to Practise Committee. No allegation against Lesley Gilmour has yet been found substantively proved by one of our statutory committees. On 22 April 2024 we received an application from Lesley Gilmour for agreed removal from the NMC Register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC Register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Lesley Gilmour's application for agreed removal, I've taken into account:

- Lesley Gilmour's application
- the interests of Lesley Gilmour
- the report to the case examiners and accompanying documentation
- the public interest

We contacted the person that made the allegation against Lesley Gilmour for their comments on the application for agreed removal, however they had no comment to make.

I'm satisfied that:

- Lesley Gilmour no longer intends to work as a registered nurse
- the allegations are limited to a health concern so there is no prospect of a striking off order, in the first instance
- there are no other good reasons requiring us to consider the allegations further at this time,
- the public interest is best served by approving the application and enabling Lesley Gilmour to leave the NMC Register

This record of decision will be published for twelve months from the date of the decision, 26 June 2024. In the event that Lesley Gilmour seeks readmission to the Register, we may consider the matters that led to this agreed removal further.
