## **Decision and reasons on review of the substantive order**

The panel decided to impose a six-month suspension order. This order will come into effect at the end of 27 July 2024 in accordance with Article 30(1) of the Nursing and Midwifery Order 2001 (as amended) (the Order).

This suspension order will take effect upon the expiry of the current suspension order, namely at the end of 27 July 2024 in accordance with Article 30(1).

Before the end of the period of suspension, another panel will review the order. At the review hearing the panel may revoke the order, or it may confirm the order, or it may replace the order with another order.

This will be confirmed to Mr Vezey in writing.

That concludes this determination.
