- a. Any current or future employer.*
 - b. Any educational establishment.*
 - c. Any other person(s) involved in your retraining and/or supervision required by these conditions'*

Unless Mr Wick's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mr Wick or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mr Wick. The NMC will keep Mr Wick informed of developments in relation to that issue.

This will be confirmed to Mr Wick in writing.

That concludes this determination.
