We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Caroline Clark Briggs has yet been found substantively proved by one of our statutory committees. Caroline Clark Briggs accepts the concerns raised about her.

On 15 April 2024 we received an application from Caroline Clark Briggs for agreed removal from the NMC Register.

### **ASSISTANT REGISTRAR'S DECISION**

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC Register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Caroline Clark Briggs' application for agreed removal, I've taken into account:

- comments received from the person that made the allegation against Caroline Clark Briggs,
- agreed removal application form dated 11 April 2024,
- case examiner decision letter dated 27 March 2024,
- investigation report and accompanying documents,
- the interests of Caroline Clark Briggs,
- the public interest.

I'm satisfied that:

- Caroline Clark Briggs no longer intends to work as a registered nurse,
- the allegations against Caroline Clark Briggs are not so serious as to be fundamentally incompatible with continued registration,
- there are no other good reasons requiring us to consider the allegations further at this time,
- the public interest is best served by the immediate removal of Caroline Clark Briggs' name from the NMC Register.

This record of decision will be published for twelve months from the date of the decision, 30 May 2024. In the event that Caroline Clark Briggs seeks readmission to the Register, we may consider the matters that led to this agreed removal further.
