Agreed Removal Decision

Registrant: Lisa Ann Fry

PIN: 85I2831E

Part(s) of the register: Registered Nurse – Adult Nursing

Relevant Location: Hertfordshire

On 12 April 2021 we received a referral raising a concern about Lisa Ann Fry's fitness to practise. It's alleged that she administered medications without the appropriate authority to do so, kept substandard records of administered medications, failed to appropriately store and manage stocks of medication, failed to conduct infection control audits and failed to ensure that clinical areas were maintained in a hygienic condition.

We investigated the issue and our case examiners found a case to answer. No allegation against Lisa Ann Fry has yet been found substantively proved by one of our statutory committees. On 21 March 2024 we received an application from Lisa Ann Fry for agreed removal from the NMC Register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC Register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education Registration and Registration Appeals) Rules 2004, in considering Lisa Ann Fry's application for agreed removal, I've taken into account:

- evidence in support of the concerns and our case examiners' decision
- the interests of Lisa Ann Fry
- the public interest

We sought to contact the person that made the allegation against Lisa Ann Fry for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Lisa Ann Fry no longer intends to work as a registered nurse
- the allegations against Lisa Ann Fry are not so serious as to be fundamentally incompatible with continued registration,

- there are no other good reasons requiring us to consider the allegations further at this time,
- the public interest is best served by the immediate removal of Lisa Ann Fry's name from the NMC Register.

This record of decision will be published for twelve months from the date of the decision, 21 May 2024. In the event that Lisa Ann Fry seeks readmission to the Register, we may consider the matters that led to this agreed removal further.
