

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Amanda Jacqueline Kennedy

PIN: 99B1045E

Part(s) of the register: Registered Nurse - Mental Health Nursing

Relevant Location: Greater Manchester

On 2 June 2021, we received a referral about Amanda Jacqueline Kennedy's fitness to practise. The referral gave rise to a concern that Amanda Jacqueline Kennedy has a health condition capable of impairing her fitness to practise.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Amanda Jacqueline Kennedy has yet been found substantively proved by one of our statutory committees.

On 18 March 2024, we received an application from Amanda Jacqueline Kennedy for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Amanda Jacqueline Kennedy's application for agreed removal, I've taken into account:

- the agreed removal application form
- the response from the person that made the allegation against Amanda Jacqueline Kennedy
- the reasons for the decision to refer the matter to the Fitness to Practise Committee
- the interests of Amanda Jacqueline Kennedy
- the public interest.

I'm satisfied that:

- Amanda Jacqueline Kennedy no longer intends to work as a registered nurse
- the allegations against Amanda Jacqueline Kennedy are not so serious as to be fundamentally incompatible with continued registration
- there are no other good reasons requiring us to consider the allegations further at this time

- the public interest is best served by approving the application and enabling Amanda Jacqueline Kennedy to leave the NMC register.

This record of decision will be published for twelve months from the date of the decision, **9 May 2024**. In the event that Amanda Jacqueline Kennedy seeks readmission to the register, we may consider the matters that led to this agreed removal further.
