Decision and reasons on interim order

The panel decided to confirm the current conditions of practice order.

The panel was of the view that the public would remain suitably protected by the implementation of the following conditions:

‘For the purposes of these conditions, ‘employment’ and ‘work’ mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, ‘course of study’ and ‘course’ mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must not manage or administer medication unless directly supervised by another registered nurse.
2. You must provide a report from your line manager, mentor or supervisor to the NMC, prior to any review, detailing your progress in medicine management, administration and record keeping.
3. You must keep us informed about anywhere you are working by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.
 - b) Giving your case officer your employer’s contact details.
4. You must keep us informed about anywhere you are studying by:
 - a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
5. You must immediately give a copy of these conditions to:
 - a) Any organisation or person you work for.

- b) Any agency you apply to or are registered with for work.
 - c) Any employers you apply to for work (at the time of application).
 - d) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
 - e) Any current or prospective patients or clients you intend to see or care for on a private basis when you are working in a self-employed capacity.
6. You must tell your case officer, within seven days of your becoming aware of:
- a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.
7. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
- a) Any current or future employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Mr Maranan's case has already been concluded or there has been a material change of circumstances, a panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim suspension order at this meeting and Mr Maranan will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Mr Maranan will be invited to attend in person, send a representative on Mr Maranan's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mr Maranan. The NMC will write to Mr Maranan when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Mr Maranan in writing.

That concludes this determination.
