## **Decision and reasons on interim order**

The panel decided to confirm the current interim suspension order.

Unless Mrs MacKenzie's case has already been concluded or there has been a material change of circumstances, a panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim suspension order at this meeting and Mrs MacKenzie will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Mrs MacKenzie will be invited to attend in person, send a representative on Mrs MacKenzie's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

Even if Mrs MacKenzie does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Mrs MacKenzie and her representative will be invited to attend.

This decision will be confirmed to Mrs MacKenzie in writing.

That concludes this determination.
