Agreed Removal Decision

Registrant: Rukmanie Esme Nadine Miller

PIN: 85A1863E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: West Yorkshire

On 25 May 2022, we received a referral raising a concern about Rukmanie Esme Nadine Miller's fitness to practise. It's alleged that Rukmanie Esme Nadine Miller:

- a) signed a MAR chart prior to administering medication
- b) dispensed medication for two patients at once
- c) failed to comply with the second-checker requirements
- d) administered the incorrect medication/dosage to at least one patient

Rukmanie Esme Nadine Miller accepts the concerns. She's reflected on what went wrong, expressed remorse, demonstrated insight and identified how to act differently in the future to avoid similar problems happening.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Rukmanie Esme Nadine Miller has yet been found substantively proved by one of our statutory committees.

On 11 October 2024, we received an application from Rukmanie Esme Nadine Miller for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Rukmanie Esme Nadine Miller's application for agreed removal, I've taken into account:

- the agreed removal application form and supporting documents
- the reasons for the decision to refer the case to the Fitness to Practise Committee
- the interests of Rukmanie Esme Nadine Miller
- the public interest.

We sought to contact the person who made the allegation against Rukmanie Esme Nadine Miller for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Rukmanie Esme Nadine Miller no longer intends to work as a registered nurse
- the allegations against Rukmanie Esme Nadine Miller are not so serious as to be fundamentally incompatible with continued registration
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Rukmanie Esme Nadine Miller to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **26 November 2024**. In the event that Rukmanie Esme Nadine Miller seeks readmission to the register, we may consider the matters that led to this agreed removal further.
