Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order.

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.'

1. You must limit your nursing practise for one substantive employer, which cannot be an agency and you cannot undertake any bank work.
2. You must not be in the nurse in charge or sole nurse on duty on any shift.
3. You must ensure that you are supervised any time you are working. Your supervision must consist of working at all times, while being directly observed by a registered nurse.
4. You must undergo fortnightly meetings with your line manager, supervisor or mentor to discuss your standards of knowledge, skill, judgement, record keeping, and communication required of a Band 5 nurse.
5. You must provide a report to the NMC before the next review hearing, from your line manager, supervisor or mentor, which discusses your standards of knowledge, skill, judgement, record keeping, and communication required of a Band 5 nurse.
6. You must keep us informed about anywhere you are working by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.
 - b) Giving your case officer your employer's contact details.

7. You must keep us informed about anywhere you are studying by:
 - a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.

8. You must immediately give a copy of these conditions to:
 - a) Any organisation or person you work for.
 - b) Any employers you apply to for work (at the time of application).
 - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.

9. You must tell your case officer, within seven days of your becoming aware of:
 - a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.

10. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
 - a) Any current or future employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless Mr Sally's case has already been concluded or there has been a material change of circumstances, a panel will review the interim conditions of practice order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim conditions of practice

order at this meeting and Mr Sally will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Mr Sally will be invited to attend in person, send a representative on Mr Sally's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim conditions of practice order or it may replace it with an interim suspension order.

This decision will be confirmed to Mr Sally in writing.

That concludes this determination.
