

**Nursing and Midwifery Council
Investigating Committee**

**Interim Order Review Hearing
Wednesday 27 November 2024**

Virtual Hearing

Name of Registrant:	Shannon Louise Storrar
NMC PIN	1511686S
Part(s) of the register:	Registered Nurse – Adult Nursing
Relevant Location:	Fife
Panel members:	Petra Leseberg (Chair – Lay member) Jenny Gough (Registrant member) Howard Millington (Lay member)
Legal Assessor:	Nigel Ingram
Hearings Coordinator:	Vicky Green
Nursing and Midwifery Council:	Represented by Ben Edwards, Case Presenter
Miss Storrar:	Not present and not represented
Interim order to be reviewed:	Interim suspension order (18 months)
Outcome of review:	Interim suspension order confirmed

Unless there has been a material change of circumstances, a reviewing panel will review the interim suspension order at an administrative meeting within the next six months. A reviewing panel will be invited by the NMC to confirm the interim suspension order at this meeting and Miss Storrar will be notified of that panel's decision in writing following that meeting.

Alternatively, Miss Storrar is entitled to have the interim suspension order reviewed at a hearing. This means that Miss Storrar will be able to attend and make representations, send a representative on Miss Storrar's behalf or submit written representations about whether the interim order continues to be necessary. Miss Storrar must inform her case officer if she would like the interim suspension order to be reviewed at a hearing.

Even if Miss Storrar does not request a hearing, where there has been a material change of circumstances that might mean that the interim order should be revoked or replaced, a reviewing panel will review the interim suspension order at a hearing which Miss Storrar and her representative will be invited to attend.

Miss Storrar should notify the NMC immediately of any material change of circumstances that may affect the interim order.

At any time, Miss Storrar or the NMC may ask for the interim order to be reviewed by a panel if any relevant new information becomes available.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Miss Storrar. The NMC will write to Miss Storrar when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Miss Storrar in writing.

That concludes this determination.
