## Decision and reasons on interim order

The panel decided to make an interim conditions of practice order for a period of 18 months.

The panel has determined that the following conditions are proportionate and appropriate:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must confine your nursing practice to Barts Health NHS Trust.
2. You must not undertake any bank work.
3. You must only work in a non-clinical role.
4. [PRIVATE]
5. You must keep the NMC informed about anywhere you are working by:
  - a) Telling your case officer within seven days of leaving your employment.
  - b) Giving your case officer your employer's contact details.
6. You must keep the NMC informed about anywhere you are studying by:
  - a) Telling your case officer within seven days of accepting any course of study.
  - b) Giving your case officer the name and contact details of the organisation offering that course of study.

7. You must immediately give a copy of these conditions to:
  - a) Barts Health NHS Trust.
  - b) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
  
8. You must tell your case officer, within seven days of your becoming aware of:
  - a) Any investigation started against you.
  - b) Any disciplinary proceedings taken against you.
  
9. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
  - a) Barts Health NHS Trust
  - b) Any educational establishment you are enrolled in/or applying to.

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
