Decision and reasons on interim order

The panel decided to confirm the current interim suspension order.

Unless Mr Tamarra's case has already been concluded or there has been a material change of circumstances, a panel will review the interim suspension order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim suspension order at this meeting and Mr Tamarra will be notified of the panel's decision in writing following that meeting.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mr Tamarra. The NMC will keep Mr Tamarra informed of developments in relation to that issue.

This will be confirmed to Mr Tamarra in writing.

That concludes this determination.
