Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must confine your nursing practice to Sherwood Forest Hospitals NHS Foundation Trust.
2. You must not carry out any work which requires you to provide clinical care to any individual patients, either directly or indirectly.
3. [PRIVATE]
4. You must send to the NMC a report from your line manager, mentor or supervisor commenting on your performance, conduct and compliance with these conditions. This report must be sent to your case officer at the NMC seven days in advance of the next NMC hearing or meeting.
5. You must keep the NMC informed about anywhere you are working by telling your case officer within seven days of leaving your employment.
6. You must keep the NMC informed about anywhere you are studying by:

- a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
7. You must immediately give a copy of these conditions to:
- a) Sherwood Forest Hospitals NHS Foundation Trust.
 - b) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
8. You must tell your case officer, within seven days of your becoming aware of:
- a) Any investigation started against you.
 - b) Any disciplinary proceedings taken against you.
9. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
- a) Sherwood Forest Hospitals NHS Foundation Trust.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless Mr Bacon's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter.

Additionally, Mr Bacon or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review, the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

In certain circumstances, it may be possible for the interim conditions of practice order to be reviewed by a reviewing panel at an administrative meeting. Mr Bacon's case officer will write to him about this in due course.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Mr Bacon. The NMC will write to Mr Bacon when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Mr Bacon in writing.

That concludes this determination.
