Decision and reasons on interim order

The panel decided to vary the current interim conditions of practice order.

The panel has determined that the following conditions are proportionate and appropriate:

‘For the purposes of these conditions, ‘employment’ and ‘work’ mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, ‘course of study’ and ‘course’ mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must work for only one substantive employer, which must not be an agency.
2. You must work either a regular day shift pattern OR a regular night shift pattern.
3. You must not be the only registered nurse on duty on any shift.

- a) Any current or future employer.
- b) Any educational establishment.
- c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Ms Chirigo's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Ms

Chirigo or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Ms Chirigo. The NMC will keep Ms Chirigo informed of developments in relation to that issue.

This will be confirmed to Ms Chirigo in writing.

That concludes this determination.
