The panel decided to confirm this interim conditions of practice order and it will run for the remainder of the current interim order.

Unless Ms Petty's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Ms Petty or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review, the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

In certain circumstances, it may be possible for the interim conditions of practice order to be reviewed by a reviewing panel at an administrative meeting. Ms Petty's case officer will write to her about this in due course.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Ms Petty. The NMC will write to Ms Petty when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Ms Petty in writing.

That concludes this determination.
