- c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless Mr Barry's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Mr Barry or the Nursing and Midwifery Council (NMC) may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review a panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mr Barry. The NMC will keep Mr Barry informed of developments in relation to that issue.

This will be confirmed to Mr Barry in writing.

That concludes this determination.
