## Agreed Removal Decision

**Registrant:** Isabelle Mary Bennett

**PIN:** 01C2012E

**Part(s) of the register:** Registered Nurse - Adult Nursing

**Relevant Location:** Bristol

On 8 June 2023 we received a referral raising a concern about Isabelle Mary Bennett's fitness to practise. The referral gave rise to a concern that Isabelle Mary Bennett has a health condition capable of impairing her fitness to practise.

We investigated the issue and the matter was referred to the case examiners. They considered that undertakings would provide Isabelle Mary Bennett a route back to safe practice. Undertakings were agreed on 18 November 2024. No allegation against Isabelle Mary Bennett has yet been found substantively proved by one of our statutory committees.

On 27 November 2024 we received an application from Isabelle Mary Bennett for agreed removal from the NMC register.

### **ASSISTANT REGISTRAR'S DECISION**

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Isabelle Mary Bennett's application for agreed removal, I've taken into account:

- agreed removal application dated 25 November 2024 and supporting documents
- evidence obtained in the case
- case examiner decision letter recommending undertakings dated 16 October 2024
- the interests of Isabelle Mary Bennett
- the public interest.

We sought to contact the person who made the allegation against Isabelle Mary Bennett for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Isabelle Mary Bennett no longer intends to work as a registered nurse
- the allegations against Isabelle Mary Bennett aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Isabelle Mary Bennett to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, 3 February 2025. In the event that Isabelle Mary Bennett seeks readmission to the register, we may consider the matters that led to this agreed removal further.
