

## Equality, diversity and inclusion needs

Reference: PS3-B Last Updated: 23/07/2018

The AEI, with its practice learning partners, is responsible for ensuring that the equality and diversity needs of students and practice supervisors are taken into account to enable an inclusive learning environment. If needed, they should make reasonable adjustments. The AEI and its practice learning partners should have policies and procedures in place for this to happen.

Click on a link below for more information about practice supervisors' possible responsibilities. These are only suggestions, as different practice supervisors may have different responsibilities.
